Community Mass Care and Emergency Assistance

G0108

Training Provider: Emergency Management Institute

Course Level: N/A

Delivery Type(s): Indirect

Duration (in Hours): 14.0

Duration (in Days): 2.0

Course Description:

This course provides training for local communities to prepare for and manage the Mass Care/Emergency Assistance (MC/EA) functions effectively. The goal is to prepare community agencies, organizations, and businesses to work together in coordination with Emergency Management and traditional MC providers to plan and provide MC/EA services to those affected by disaster.

Selection Criteria: This course is intended for MC coordinators, management staff, non-governmental organization leaders, private sector, and other emergency management staff that are a part of the team and have a responsibility for effective MC/EA preparedness and response.

There are several options for the composition of a class. One is the State MC Coordinator and his/her team; a local MC Coordinator and his/her team; or a State MC Coordinator and local MC Coordinators from the state.

Course Objectives:

At the end of this course, participants will be able to:

- Define the four primary MC/EA services as discussed in this course.
- Describe how to determine their community's MC/EA service resource requirements.
- Identify providers that exist in their community or can be called upon from a nearby community to meet the requirements for MC/EA.
- Name planning and operational actions that can affect how services will be provided.
- List action items to use resources and providers to meet MC/EA requirements in their community.
